FOREST ROADS TO CLOSE DUE TO SNOW AND ICY CONDITIONS

LA County Public Works has announced that, based on the forecast of snow and icy road conditions, it will close public access to the following road segments in the Angeles National Forest, effective December 30 at 10 a.m.

- Angeles Forest Highway between Aliso Canyon Road and Angeles Crest Highway (SR-2)
- Upper Big Tujunga Canyon Road between Angeles Forest Highway and SR-2 (Angeles Crest Highway)
- Big Tujunga Canyon Road between Vogel Flats Road and Angeles Forest Highway

Local access will not be permitted until the road closures are lifted. The closures will remain in effect until the storm system has passed and the roads have been inspected and cleared.

Residents and motorists are urged to visit the CARE website at www.dpwcare.org for further updates on road conditions, or sign up to receive instant notifications through Public Works' eNotify system at www.dpw.lacounty.gov. Residents and motorists can also follow Public Works [@dpwCARE](https://twitter.com/dpwCARE) for additional information on road conditions.

Residents, business owners, and persons with access or functional needs may also call **2-1-1** for LA County information and referral services regarding post-disaster resources that are available to those affected by the floods, debris and mudflow. The toll-free **2-1-1** number is available 24-hours a day and 7-days a week. *211 LA County Services* can also be accessed by visiting www.211la.org.
